EXHIBITION SPACES
The entire front and rear of the building can be used as a gallery space. The temporary walls and furniture can be moved to suit this requirement.
There is a hanging system in the front space, and also temporary walls with hanging systems in the storage room 3.

Please note all spaces are in an open air environment and noise will carry from space to space. The spaces are separated by moveable partitions. Furniture can be borrowed from another space if not being used. All furniture must be put back into each space at the end of your session.
