Grant Focus	
Grants under this focus area provide financial assistance to community organisations for activities that foster the social, health and wellbeing needs of children and families. Projects that work with children and their families to create a gender equitable community which fosters respectful relationships and reduces violence against women and children. Projects that celebrate diversity and challenge discrimination to foster a socially inclusive community that welcomes people regardless of gender, sex, intersex status, sexuality, race, culture, faith and disability. Projects that support vulnerable children and families to be actively engaged in their communities.	
Priorities/Criteria	
Applications should address one or more of the following priorities: <ul style="list-style-type: none"> • Community building in the context of COVID-19 • The health, wellbeing and connection of children and their families • Organisation/group capacity building • Social inclusion and participation for vulnerable children and their families • Networks and partnerships 	
Example applications/proposals	
Projects working to ensure children and families have access to services when needed	Programs engaging vulnerable children and their families to support connection and re-engagement with community
Welfare and support for families particularly impacted by COVID-19 or the economic impacts of the pandemic, where the initiative will engage vulnerable families with other longer-term services and welfare provision.	Programs to encourage new participants, and a diversity of participants
Projects celebrating diversity and social inclusion	Interventions for members, participants and clients vulnerable to disengagement through financial hardship or other barriers
Awareness of Aboriginal and Torres Strait culture and history, especially where Aboriginal elders and services are engaged in the program	Intergenerational connection
Parenting programs to support children's mental health	
Items/proposals that are ineligible	
Proposals that are core / curriculum and education and/or where it is the responsibility of other tiers of government	Basic equipment that should be provided by an early years service, where a business case regarding hardship has not been demonstrated
Other activities already explicitly listed in the not eligible list of activities in the guidelines	Activities identified in lease, licence or service agreements with Council already expecting that activity to be delivered
School and early education providers proposals that do not demonstrate a community benefit or connection	Regular school and kindergarten events and activities e.g. parent social events, fundraisers (fairs, fetes), gallery exhibitions
