Completed project.

In capital works program.

Base already provided. Enhancement to be completed within 10 years.

Funding to be confirmed - could be funded from a general allocation depending on priority and cost.

Funding to be confirmed - not in 10 year capital works program listing.

Not applicable - facility type is not in the park / reserve, or is not specifically identified for implementation.

Masterplans:- Many of the reserve plans provide general direction without explicit detail on quantities and locations for proposed items particularly fencing, pathways, park furniture, landscaping and revegetation.
