

INCIDENT NOTIFICATION FORM

INTRODUCTION

Echelon Claims Services is an independent, third party that objectively assesses Council's liability upon notification of an incident. If you are seeking reimbursement for loss or damage arising from an incident, which you believe has been caused by Council's negligence, Echelon Claims Services will investigate the incident to establish whether Council has any legal liability.

Most requests for reimbursement are below Council's excess and, therefore, are not covered by an insurance policy.

Please provide details of the exact location with supporting photographs marked to clearly depict the area in question. If the location is unclear please provide a sketch to assist us in our investigations:

PHOTOGRAPHS

One of the most effective ways to avoid confusion about the circumstances surrounding your incident is through the use of photographs. Without this information Council is unable to be sure it is investigating the correct issues. Please ensure that you only take photographs if it is safe to do so.

You are required to provide a minimum of 3 photographs in support of your incident for notification

Your photographs need to show the following (where applicable):

- The area of property that has sustained damage.
- Area where a trip and fall occurred (Mark an 'x' on the exact tripping point)
- The roots and/or trees that you allege have caused property damage.
- Proof of injuries sustained.
- A variety of shots and angles to clearly show the situation.

THE ROAD MANAGEMENT ACT 2004

Does the damage to your property damage arise from the condition of the roadway/footpath?

YES

NO

If YES, please be advised the provisions of the Road Management Act 2004 require an individual or company seeking compensation for property damage arising from the condition of the roadway/footpath, to pay the first \$1,460.00 of any claim (the "threshold amount") regardless of liability (includes motor vehicles, clothing, glasses etc).

Does the amount you are seeking exceed the threshold amount?

YES

NO

Please note that the threshold amount is varied by the Victorian Government every financial year. The threshold amount stated above is valid for property damage occurring in the 2021/2022 financial year.

See: http://www.austlii.edu.au/au/legis/vic/consol_act/rma2004138 for further information.

INCIDENT DETAILS

Please provide details of the incident and why you believe Council is liable. The request you are making is based in negligence, therefore, you need to provide clear evidence that the incident occurred due to Council's negligence. To state that Council is liable because 'it is their asset' or that the 'incident occurred on Council land' is not sufficient for your incident for notification to be accepted.

SUPPORTING DOCUMENTATION

You are required to attach any supporting documentation to substantiate your loss. If you are claiming for property damage please provide a minimum of 2 x repair quotes or invoice or receipt etc.

In public liability matters the burden of providing proof of negligence rests with you as the person making the allegation. Neither Council nor Echelon Claims Services can assist you in this.
