Conditions:

- The 2018-19 Standard Waste Service Charge is \$218.00 per financial year
- Council’s costs include the management, provision and maintenance of Council owned garbage, recycling and green waste bins and collection and disposal fees
- The Waste Service Charge is subject to annual budgetary reviews. Total Waste Service Charges will be calculated on a pro rata basis
- Pro rata charges are not refundable
- Ratepayers will be required to use Council’s waste service and pay a Waste Service Charge for a minimum of one year
- The choice made above will override any previous choices made
- For alterations to green waste services from options A, B or N, Council will contact the ratepayer and/or occupant to arrange the exchange or removal of bins
- When withdrawing from a waste collection service, Council will contact the ratepayer and/or occupant to arrange for the bin/s to be removed
- Real estate agents who are registered with Council are able to act on behalf of ratepayers
- Bins provided by Council must not be removed from the property
- The option of not having a waste service provided by Council is only available to non-residential properties and multiunit and mixed unit developments where Council’s waste service is not able to be provided. Mixed use and multi unit developments must seek approval of Council through a planning application for Council’s or private waste services to be provided. Council’s Waste Service and Charge Policy is available by contacting Council on 9932 1000 or from Council’s website at www.hobsonsbay.vic.gov.au/Environment_and_Waste/Waste
