Conditions:

- The 2021-22 Standard Waste Service Charge is \$250.00 per financial year.
- Only Council provided bins will be collected by the collection trucks.
- Council's costs include the management, provision and maintenance of Council owned garbage, recycling and green waste bins and collection and disposal fees
- The Waste Service Charge is subject to annual budgetary reviews. Total Waste Service Charges will be calculated on a pro rata basis
- Pro rata charges are not refundable
- The choice made above will override any previous choices made
- For alterations to services where a change in bin size or a withdrawal is required, Council will contact the ratepayer and/or occupant to arrange the exchange or removal of bins
- Real estate agents who are registered with Council are able to act on behalf of ratepayers
- Bins provided by Council must not be removed from the property, except onto the kerbside on the day before and the day of the scheduled bin collection
- The option of not having a waste service provided by Council is only available to non-residential properties and multiunit and mixed unit developments where Council's waste service is not able to be provided. Mixed use and multi unit developments must seek approval of Council through a planning application for Council's or private waste services to be provided
