Carried unanimously

Recommendation

That Council notes the progress made on initiatives and activities that were identified as focus areas for the 2021-22 mayoral term by Cr Peter Hemphill.

Summary

The Mayoral Program provides an opportunity for the Mayor to support the implementation of key strategic actions that will serve the best interest of the Hobsons Bay community and align with the Hobsons Bay 2030 Community Vision and the Council Plan 2021-25.

Background

In November 2021, Council elected Cr Peter Hemphill as Mayor for the 2021-22 mayoral term, and at the Council Meeting held on 8 February 2022 resolved to note the proposed 2021-22 Mayoral Program.

Cr Hemphill nominated four key mayoral focus areas: heritage, environment, infrastructure and community building. These include:

- preserving important heritage in Hobsons Bay such as the former Newport Railway Workshops, the Hobsons Bay Heritage Street Signs program and the historical significance of Altona Pier
- showcasing and advocating for expansion of the Virtual Energy Network
- rolling out the Urban Forest Strategy including a virtual dashboard for the community
- advocating and supporting delivery of critical infrastructure including:
 - continued advocacy for important projects such as the Hobsons Bay Wetlands Centre at HD Graham Reserve and the Western Aquatic Facility at Bruce Comben Reserve, both in Altona Meadows
 - collaborating with the Victorian Government to upgrade facilities at the Williamstown Swimming and Life Saving Club
 - continuing to work in partnership with the Victorian Government and the West Gate Tunnel Project to deliver the WLJ Crofts Reserve Pavilion in Altona North and new facilities at Donald McLean Reserve in Spotswood
 - a new pavilion at JT Gray Reserve in Williamstown North
- supporting community development, including supporting Council's Citizen of the Year and Young Citizen of the Year in their community work and continuing Council's commitment to sister cities in Buloke, Yarrabah and Anjo

This report is the final in a series of regular quarterly updates on the progress made on these initiatives and activities since November 2021 when Cr Hemphill was elected Mayor. Cr Hemphill's term as Mayor concludes on 11 November 2022.

Discussion

Heritage

The **Newport Railway Workshops** are home to some of Victoria's remarkable railway heritage buildings and moveable heritage items (such as locomotives and carriages) and is included on the Victorian state heritage register. Cr Hemphill championed heritage assessment work underway seeking to recognise significant rail heritage artefacts at the Newport Railyards. Following community work on possible additional heritage significance of the site, Council is undertaking a review to identify possible opportunities to better protect moveable heritage items at the workshops.

In recognising the cultural value of Newport rail heritage, Cr Hemphill facilitated connections in the creative industries.

A new public art and heritage app, **Experience Hobsons Bay Creative City**, includes the locations of signs installed under the Cultural Heritage Street Signs program. The app is designed to encourage people to explore the Hobsons Bay through its many art sites.

One of the sites promoted on the app is the heritage-listed Tide Gauge House at Commonwealth Reserve in Williamstown, which recently underwent conservation works.

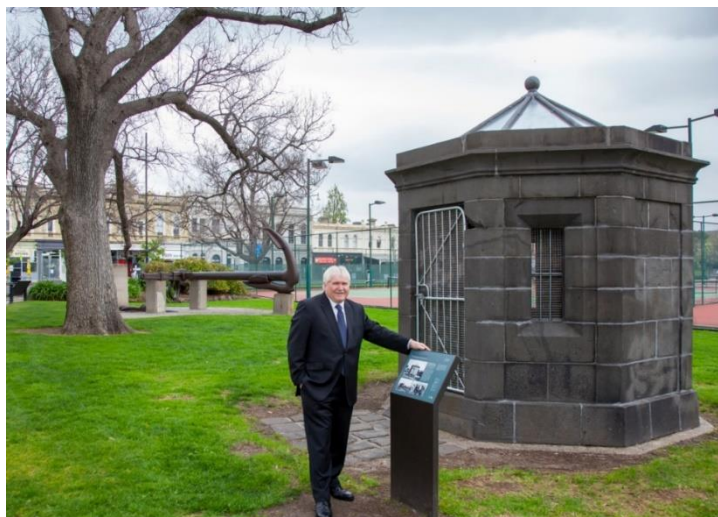

Figure 1: Cr Hemphill at the Tide Gauge House in Commonwealth Reserve, Williamstown

Cr Hemphill worked with the Royal Australian Navy and the Australian Defence Force to support and participate in the celebration of the **80th anniversary of the HMAS Castlemaine** on 9 October 2022. Cr Hemphill visited on board the HMAS Castlemaine, engaged with volunteers and spoke at the official welcome held at the Royal Yacht Club of Victoria. About 3,500 people visited on the day, and the event was covered on television and metropolitan media.

Figure 2: Cr Hemphill with the President of the Maritime Trust Australia, Dennis Gale

The **100th anniversary of the Old Laverton School honour board** was held on 24 October 2022. Cr Hemphill spoke, along with family historian Rob Newlands, about the board's history of the board and the significance of two new plaques installed in the grounds at a community event held at the Old Laverton School in Altona Meadows. The event was attended by local historians, descendants of the Hyde and Newland families, residents and members of the Laverton Point Cook Rotary Club, which has been involved in protecting the building for the last 35 years.

Figure 3: Cr Hemphill with Cr Grima, Cr Tyler and attendees at the 100th anniversary celebration of the Old Laverton School honour board

Assisted by the Mayor, Council established a connection with local resident **Phyllis Murphy AM**. Mrs Murphy was acknowledged as a Member of the Order of Australia in the 2022 Queen's Birthday Honours List.

In addition to being noted for expertise as an architect and heritage conservator, Mrs Murphy has built a significant collection of heritage wallpaper. The collection will have a permanent home in the Living Museum of Sydney in 2023.

The opportunity to stage a local exhibition from this collection, featuring a curated collection of samples from the 1840s to the 1930s, was supported and announced in November 2022. The exhibition, titled "Off The Wall", is to be held at the Williamstown Town Hall in December.

Figure 4: Phyllis Murphy AM shows Cr Peter Hemphill her heritage wallpaper collection

Environment

Phase one of Council's ambitious **rooftop solar program** is nearly complete, with 1.7MW of new solar panels installed across the building portfolio. When added to existing solar assets this exceeds 2.2MW of solar panels which, modelling suggests, will generate over 3,000MWh of renewable electricity after a full year of operation.

Recent buildings to receive solar within the program include the Newport Gardens Early Years Centre (now complete) and the Hobsons Bay Civic Centre car park (currently under construction).

Towards Council's target under the **Urban Forest Strategy** of achieving 30 per cent canopy cover by 2040, 8,000 semi-mature trees were planted across Hobsons Bay streets and reserves in 2022. Council also gave away over 2,700 tube stock trees to residents for planting on private land at various events throughout the year, which will further contribute to the future canopy cover of Hobsons Bay.

In addition, Council undertook a tree planting program in partnership with the Department of Environment, Land and Water that resulted in an additional 20,000 tube stock trees being planted across open spaces within the municipality.

The **Green Streets program** allows Council to educate on and promote the importance of street trees while providing residents with an opportunity to contribute to tree selection and the future look of their street.

In 2022 the three streets selected to participate in the program were:

1. Grace Street, Laverton: 44 trees, a mix of *Corymbia maculata* "ST1" Lowanna and *Jacaranda mimosifolia*
2. Hancock Street, Altona: 25 *Lophostemon confertus*
3. Bayview Street, Williamstown: 79 *Corymbia maculata* "ST1" Lowanna

Figure 5: Residents meeting with Council's Urban Forest Engagement Officer at a Green Streets engagement session

An **online tree planting dashboard** was developed and went live as part of the 2022 tree planting program. The dashboard can be found on Council's website at: www.hobsonsbay.vic.gov.au/Services/Trees-Nature-Strips/Tree-planting-and-requests/Street-tree-planting

Infrastructure

Cr Hemphill has continued to advocate for, support and collaborate on the delivery of the following critical infrastructure across the city.

Council and the Hobsons Bay Wetlands Group continue to strongly advocate to all major political parties for project funding for the **Hobsons Bay Wetlands Centre**. The Hon Melissa Horne MP, the Hon Jill Hennessy MP and the Hon Lily D'Ambrosio MP visited the site of the Hobsons Bay Wetlands Centre on 15 June 2022 to discuss the importance of the project and the wetlands area.

Community consultation on the preliminary concept plan for the **Western Aquatic and Early Years Centre** took place from 15 August to 23 September 2022. As part of the consultation period, a household survey was delivered to residential properties in Altona Meadows, Laverton, Seabrook and parts of Altona, and the same survey was hosted online at Participate Hobsons Bay. Two onsite drop-in sessions were also held during the consultation period to provide residents with the opportunity to discuss the plans in more detail.

Feedback from the community is being reviewed and the concept plan is will be updated before being released to the community. Concurrently, Council has been running a "Float our Pool" advocacy campaign which has attracted 862 signatures from the community. A video for the campaign is available on Council's YouTube channel at: www.youtube.com/watch?v=orZxLLL1DiY

Council has engaged architects to prepare designs for the future upgrade of the **Williamstown Swimming and Life Saving Club facility**. Site investigations have commenced along with engagement with the club and other project stakeholders on concept design options. Community consultation on the concept plan is expected to occur in early 2023.

The **WLJ Crofts Reserve Pavilion** was completed in late September 2022. An event to mark the formal opening of the pavilion was hosted on 22 October 2022 by Cr Hemphill with the Member for Williamstown, the Hon Melissa Horne MP, in attendance. The Williamstown Superules Football Club also held their end of season event within the facility, which was a great success with over 150 attendees.

Figure 6: Cr Peter Hemphill with Member for Williamstown the Hon Melissa Horne MP and representatives of the tenant sporting clubs at the official opening of the WLJ Crofts Reserve Pavilion

At **Digman Reserve**, construction of the east to west path from Home Road through to Douglas Parade has been completed. This was a key priority identified within the Digman Reserve Master Plan to ensure connection between the Newport Train Station and the Bay Trail. Open Space works at the western end of the reserve remain ongoing. Implementation of the Digman Reserve Master Plan will be complete upon finalisation of these works.

The W & M Couch Pavilion at **Donald McLean Reserve** was completed in time for the end of the football season. The Spotswood Football Club hosted their final home match of the season with access to the new pavilion, which was well attended by members of the community. An opening event was hosted by Cr Hemphill on 22 October 2022 with Member for Williamstown, the Hon Melissa Horne MP, in attendance. Car park works are being finalised along with the open space upgrades at the western end of the reserve.

Figure 7: Cr Peter Hemphill with Member for Williamstown Melissa Horne MP at the official opening of the W & M Couch Pavilion at Donald McLean Reserve

Pavilion redevelopment works at **JT Gray Reserve** remain ongoing and are scheduled for completion in March 2023, in time for the start of the winter season. The new cricket nets and storage areas have been handed over for club use, and preparation for the redevelopment of the internal car park is ongoing. Planning continues for minor floodlighting upgrades to the site.

A new cricket practice facility was opened at **JK Grant Reserve** in October 2022, which will be utilised by the Altona Cricket Club. The facility features six synthetic wickets that complement the existing four wicket turf nets, and retractable netting to create flexible and multi-use spaces. The facility was delivered in partnership with the Victorian Government and Cricket Australia, which contributed \$90,000 and \$30,000 respectively to support Council's investment in the project of \$454,000.

Community Building

Cr Hemphill worked actively with Council's **2022 Citizens of the Year** to engage actively with Council in a range of areas. Young Citizen of the Year Tahlia Kotia spoke at a number of Council events including, for example, International Women's Day and the Hobsons Bay Youth Change Makers group. Citizen of the Year Kate de Marco became actively involved in Council projects including championing the Epsom Street Social and Affordable Housing project. Cr Hemphill also worked with Ms de Marco on a range of advocacy for people with disabilities in the community, leading to a commitment from Metro Trains to upgrade two pedestrian rail crossings in the municipality.

Figure 9: Cr Hemphill, Young Citizen of the Year Tahlia Kotiau and Chief Executive Officer Aaron van Egmond at the Hobsons Bay Youth Change Makers Challenge forum

Council maintains a formal relationship or friendship alliance with three **sister cities**. Each was instigated and developed through reciprocal activities including community connections, information exchange, and at times direct support.

Yarrabah in Queensland is one of the most significant Aboriginal communities in Australia. The **Hobsons Bay and Yarrabah alliance** is recognised for strengthening Indigenous partnerships.

Cr Hemphill visited Yarrabah on 31 October 2022 to further the relationship between Council and the Yarrabah Aboriginal Shire Council and to build connections between the two communities. This marked the first mayoral visit to Yarrabah since 2012.

Yarrabah Mayor Cr Ross Andrews and interim Chief Executive Officer Richard Wright hosted the visit, which included meeting with Councillors and staff representatives, an overview of the Yarrabah Leaders Forum, exploring challenges and opportunities for knowledge sharing, collaboration and community engagement. The visit also involved conversations with community representatives including the principal of the Yarrabah State School and the rangers from the Prescribed Body Corporates, and visits to sites such as the Yarrabah Cultural Centre and community facilities.

Figure 10: Cr Hemphill with Councillors and staff representatives from Yarrabah Aboriginal Shire Council

Buloke in Victoria is a regional rural shire. The **Hobsons Bay and Buloke alliance** was formalised in 2006 to help break down the “urban/rural divide” and is recognised for its strength in community planning.

Cr Hemphill was to host and speak at the official functions for the annual Buloke and Hobsons Bay bowling club tournament at the Altona Bowling Club in September 2022. However, the visit and tournament were cancelled due to being scheduled during the week of the royal funeral and on the day proclaimed as a public holiday for the National Day of Mourning. Plans are underway to reschedule the visit, potentially in March 2023.

During October, Cr Hemphill was in contact with the Mayor of Buloke Shire Cr Daryl Warren to gain an understanding of the impacts of the flooding occurring, especially around the Avoca River, and potential impacts on the township of Charlton in particular. Offers of support were also made by the organisation, including ways for staff to volunteer skills and time. Some staffing support has now been requested and is being provided to assist Council’s sister city in responding to the sustained impacts of the flooding and work as quickly as possible to help residents get back into their homes.

Due to COVID-19 the **Junior Council** program was placed on hold throughout 2020 and 2021, so it was a welcome return to the Council Chamber on 2 November 2022 for the first face-to-face Junior Council Meeting in nearly three years. Cr Hemphill was impressed by the outstanding altruistic community spirit and the incredible fundraising efforts of all schools in the municipality raising money for a myriad of good causes such as flood victims, vulnerable communities in Ethiopia, Caritas and Autism Spectrum Australia.

Figure 11: Cr Hemphill with school representatives attending Junior Council

Cr Hemphill presided over seven **citizenship ceremonies** during his mayoral term, conferring some 445 new Australian citizens. Virtual citizenship ceremonies were held on 30 November 2021, 26 January 2022, 22 February 2022 and 26 April 2022, with a return to face-to-face ceremonies on 7 July 2022.

Figure 12: Cr Hemphill and Cr Grima at the Citizenship Ceremony held on 23 August 2022

Cr Hemphill was thrilled to host the **Daughters of the West** Graduation Ceremony on 5 October 2022.

Daughters of the West, an initiative of the Western Bulldogs Community Foundation, is a free health program for all women aged 18 or over living, working and recreating in Victoria's West. The 10-week program aims to improve women's health and wellbeing through a series of workshops, presentations and healthy activities. Hobsons Bay City Council is a proud partner in delivering the Daughters of the West program.

As multiple nominations were received, a vote by show of hands was conducted to elect the Mayor, in accordance with rule 2.6.6 of the Hobsons Bay Governance Rules.

The Chief Executive Officer put Cr Briffa's nomination to the vote.

For: Cr Antoinette Briffa, Cr Diana Grima, Cr Matt Tyler, Cr Jonathon Marsden

The Chief Executive Officer put Cr Sutton-Legaud's nomination to the vote.

For: Cr Peter Hemphill, Cr Pamela Sutton-Legaud

As Cr Briffa received an absolute majority of votes, the Chief Executive Officer declared Cr Briffa to be duly elected as Mayor.

The Mayor-elect was robed by the Chief Executive Officer and presented with the Mayoral Chain of Office.

The Chief Executive Officer invited Cr Briffa to take the chair at the head of the Council table and offered congratulations. The Mayor chaired the remainder of the meeting.

8.3 Mayoral Response

Mayor Cr Antoinette Briffa thanked everyone in attendance, particularly Councillors, for their support and expressed her excitement about the year ahead. Cr Briffa said that she serves an amazing community that she is proud to have been born and raised in, which she has served as a Councillor since 2008 and earlier through community organisations such as the Altona Village Traders Association, the Maltese Association Hobsons Bay and the Hobsons Bay Residents' Association. During her speech she also acknowledged former Mayors Angela Altair and Brad Matheson, former Deputy Mayor John Hogg, and former citizen of the year Barry Hansen, all of whom were in attendance.

Drawing on the discussion of respect in the Welcome to Country given by Uncle Shane Clarke, Cr Briffa spoke on how the word encompasses the way she treats the mayoral position, the community, her Councillor colleagues and Council officers, stating that respect is the cornerstone of any relationship we have with each other.

In talking about the year ahead, Cr Briffa acknowledged that the COVID-19 pandemic is not yet over and that there were risks ahead, but stated that it is time to come out as a community and said she hoped to see more and more in-person interaction over the next 12 months.

Cr Briffa stated that she would develop her Mayoral Program in collaboration with the Chief Executive Officer, Directors and fellow Councillors. She concluded by looking back on her involvement with Council over the years, expressing her hope that it would continue, but that it would do so because she always strives toward putting the Hobsons Bay community first.

Cr Briffa invited other Councillors to respond.

Councillors congratulated Cr Briffa on her election as mayor, noting her experience as a member of Council, her long and active involvement with the Hobsons Bay community and her commitment to equality.

9 Election of Deputy Mayor

9.1 Election of Deputy Mayor

Election of the Mayor for 2022-23

In accordance with section 25(6) of the *Local Government Act 2020*, as there were no further nominations the Mayor declared Cr Grima to be duly elected as Deputy Mayor.

The Mayor congratulated Cr Grima and invited her to say a few words.

Cr Grima stated that she was humbled to be elected as Deputy Mayor for the second year in a row, saying that she took the role very seriously. She spoke on her active community involvement for over 20 years, and her community-centred upbringing. She thanked her parents for their support throughout her life and thanked her Councillor colleagues.

The Mayor invited Councillors to respond.

Councillors offered their congratulations to Cr Grima, noting the heart and care for the community that she would bring to the role and her experience as Deputy Mayor for the previous year. Mayor Cr Briffa noted that she and Cr Grima had known each other a long time and already worked well together, adding that she considered herself and the community fortunate to have Cr Grima as Deputy Mayor.

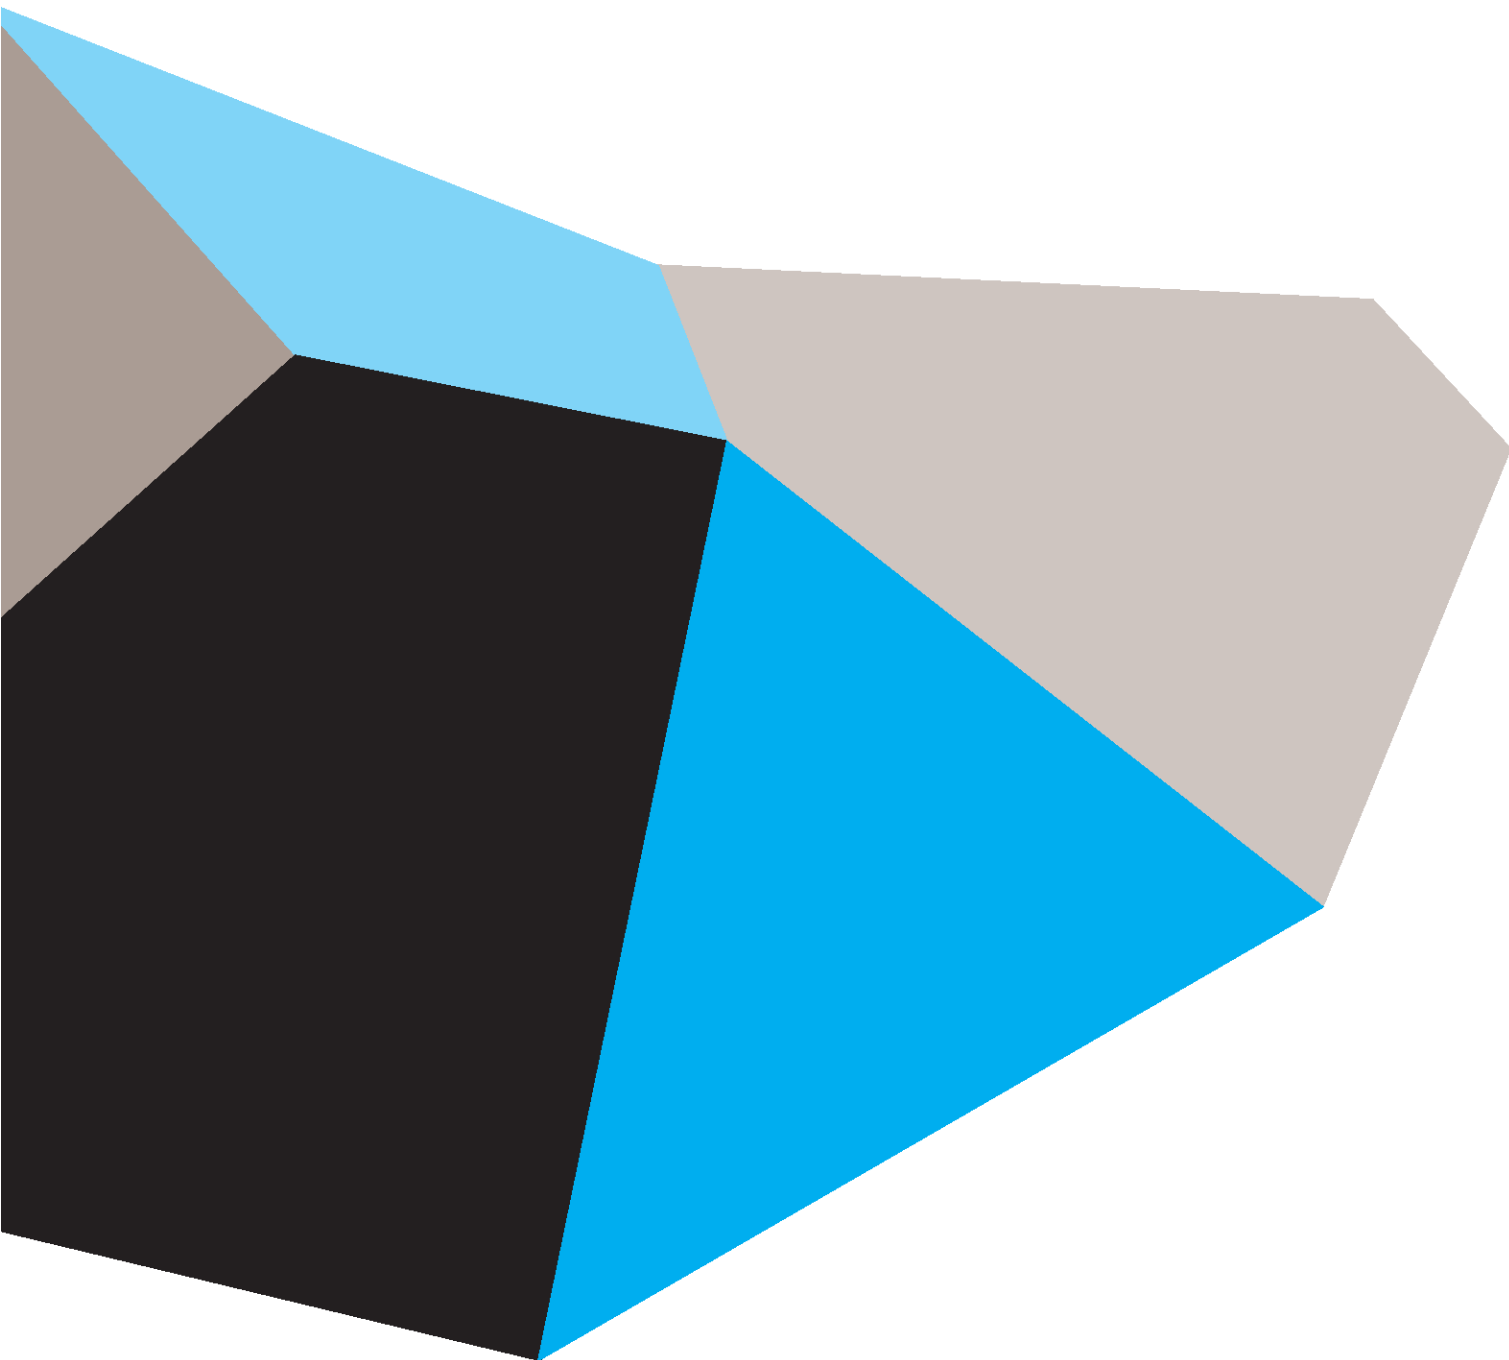

10 Close of Meeting

There being no further business, the Mayor declared the meeting closed at 8pm.

Chairperson – Cr Antoinette Briffa
