1 Council Welcome and Acknowledgement

The Chairperson welcomed members of the public and acknowledged the Bunurong People of the Kulin Nation as the Traditional Owners of these municipal lands and waterways.

2 Apologies

The Chairperson called for apologies received from Councillors who are unable to attend this meeting.

All Councillors were present. Cr Peter Hemphill joined the meeting virtually.

3 Disclosure of Interest

In accordance with sections 127 and 128 of the *Local Government Act 2020* Councillors and staff are required to disclose a general or material conflict of interest. A conflict of interest must be disclosed in accordance with rule 15.3 of the Hobsons Bay Governance Rules.

Disclosure must occur immediately before the matter is considered or discussed.

Cr Diana Grima declared a conflict of interest regarding Techno Park but did not elaborate at this point in the meeting.

Cr Daria Kellander raised that under the Governance Rules, Councillors are required to disclose certain details of a conflict of interest, but the Chairperson said that he understood it would be addressed during Public Question Time.

Later in the meeting, following item 11, Cr Grima clarified that her conflict of interest was caused by a family member having recently carried out maintenance work at Techno Park.

4 Confirmation of Minutes

4.1 Confirmation of Minutes

Confirmation of the minutes of the Council Meeting of Hobsons Bay City Council held on 10 October 2023 (copy previously circulated).

Motion

Moved Cr Pamela Sutton-Legaud, seconded Cr Jonathon Marsden:

That Council confirms the minutes of the Council Meeting of Hobsons Bay City Council held on 10 October 2023.

Carried unanimously

5 Councillor Questions

Before Councillor Questions commenced, the Chairperson announced that certain questions which had been submitted to Public Question Time could not be answered publicly due to regulatory enforcement and contractual matters.

Cr Daria Kellander said that she would also like to ask questions regarding Techno Park, and asked whether that was possible.

Mr Andrew McLeod, Director Corporate Services, advised that Council was not taking any specific questions regarding Techno Park, given the pending legal action and its potential prejudicial impact on either party in respect to that to that legal action.

There were no further questions from any Councillors.

6 Public Question Time

Anthony Santo

Q Why has there not been any repair work carried out on the John Liston Lane railway fencing?

In November 2022 strong winds blew parts of the timber fence down and temporary cyclone fencing was erected, but 12 months later it is still the same – no maintenance has been carried out.

What is the plan going forward?

A Council is aware of the issues and condition of the fence along the rail track and the laneways. Council has completed localised repairs and replaced some local sections of the fence with temporary fencing. Funding has been allocated in Council's 2023-24 Capital Works Program towards the renewal of the fence.

This fence has shared responsibility with VicTrack, and officers are liaising with them to get funding towards this work as well as the necessary permits to carry out the works safely.

Brooke Caddell

Q Newport Lakes Native Nursery specialises in the plants of the critically endangered Western Basalt Plains and is the only place some of these plants are available to the public.

Council's Draft Biodiversity Strategy includes actions to expand its Habitat Gardens program and strengthen "habitat in Hobsons Bay open space areas utilising indigenous plantings, prioritising biodiversity corridors".

Has Council considered where they will acquire plants for these initiatives if the nursery cannot afford to renew its lease?

A Council sources its indigenous species from a variety of providers, both local and throughout Victoria.

In the unfortunate event of a local provider being unavailable, Council would need to explore other options.

Helen Sinnema

Q When a councillor has a conflict of interest in a matter before Council at a public meeting, are they required to disclose what the conflict is during that meeting? Or can they just say they have one, without providing any details?

A Section 15.3.1 of the Hobsons Bay Governance Rules requires that at the time indicated in the agenda, a Councillor with a conflict of interest in an item on that agenda must indicate they have a conflict of interest by stating the item for which they have a conflict of interest, whether their conflict of interest is general or material, the circumstances that give rise to the conflict of interest and the remedy (if any) that will be used to address the conflict of interest, e.g. "will not affect my decision", "will leave the Chamber", "will take no further part".

John O'Hagan

Q For what purpose has Council chosen to engage The RedBridge Group, a consultancy that specialises in “influenc[ing]...stakeholders and public opinion”?

A RedBridge provides advisory services to Council on a variety of important matters to support communications with the community.

Q How much money will Council pay RedBridge for their services?

A Redbridge has been paid \$31,800 for services in relation to a number of matters.

Nicholas Norton

Q Over the past three years, how much money did Council spend defending their planning decisions at VCAT?

A Over three years, Council's representation on VCAT matters totalled \$982,930 for 159 cases.

Q Over the past three years, in what percentage of cases has VCAT overturned Council's decisions?

A Council's VCAT outcomes are publicly available on the Victorian Government's Planning Permit Activity Reporting website: <https://www.planning.vic.gov.au/guides-and-resources/council-resources/planning-permit-activity-reporting>

Out of the 159 cases that have gone to VCAT, 64 have been overturned.

Q How long will Council enforce their ban on public questions about Techno Park?

A Due to pending legal action in relation to the illegal residential occupation of Techno Park, questions relating to the matter will only be answered upon completion of any legal action.

7 Petitions and Joint Letters

7.1 Petitions and Joint Letters Received

7.1.1 Petition - Request to recognise Techno Park in the Industrial Land Management Strategy

Cr Daria Kellander tabled a petition which read as follows:

We, the undersigned, urge Hobsons Bay City Council councillors:

1. to include in the Industrial Land Management Strategy (ILMS) recognition and acknowledgement of the long-standing residential community at Techno Park in the Williamstown North industrial precinct.
2. to consider this long-standing residential community when undertaking the further work noted in the draft ILMS for the Williamstown North precinct including:
 - Future zoning options – investigate options to update SUZ2 due to refinery operation ceasing in 2021,
 - Precinct planning – Exxon Mobil site,
 - Planning Scheme Amendment to implement new land use planning framework,
 - Advocacy to State Government to apply a Buffer Area Overlay to Major Hazard Facilities.

Motion

Moved Cr Daria Kellander, seconded Cr Pamela Sutton-Legaud:

That Council:

1. **Receives and notes the petition in relation to recognising Techno Park.**
2. **Subject to a review of the petition in accordance with the Hobsons Bay Governance Rules, receives a further report on this matter at a future Council Meeting.**

Carried

Councillor Movements

When the vote was first held, all Councillors were present, but Cr Briffa and Cr Kellander both raised that Cr Grima should not be present due to her previously declared conflict of interest regarding Techno Park.

Cr Grima accepted this and left the Chamber at 7.27pm, and the vote was held a second time. Cr Grima returned to the Chamber at 7.29pm after the vote.

7.1.2 Petition - Save Newport Lakes Native Nursery

Cr Jonathon Marsden tabled a petition which read as follows:

This petition calls upon Hobsons Bay City Council to investigate all ways to keep the Newport Lakes Native Nursery operational. The City Council owns the Newport Lakes land and building which, in turn, it leases out to the Nursery. Lease increases, mean that the Nursery will not be able to renew its lease. Consequently, the Nursery will close, and a valuable asset will be lost.

The Nursery is one of the few that supplies native plants indigenous to the area. It is a small business driven by environmental and community values by a dedicated and knowledgeable workforce. All this experience will be lost as there is little likelihood of finding an alternative workplace in the current rental market.

The Nursery supplies plants for the community; to individuals, to six councils (Brimbank, Hobsons Bay, Maribyrnong, Melton, Moone Valley, Wyndham), Melbourne Water, conservation groups and schools. It is an educational asset, giving free workshops for schools and groups, and it provides employment that further sustains the ideals of conservation.

This petition calls upon the Council to give its commitment to supporting the retention of the Newport Lakes Native Nursery in the interests of the environment and the rate paying community.

Motion

Moved Cr Jonathon Marsden, seconded Cr Diana Grima:

That Council:

- 1. Receives and notes the petition in relation to Newport Lakes Native Nursery.**
- 2. Notes that this is commercial-in-confidence matter and Council has instructed an external legal firm to act on its behalf.**

9 Notices of Motion

9.1 Notice of Motion No. 1247: Meetings with Trader Associations

Section 8.15.5 of the Hobsons Bay Governance Rules requires the Chief Executive Officer to inform Councillors about the legal and cost implications of any proposed notice of motion. Accordingly, the costs of implementing this notice of motion will be accommodated within the existing operational budget.

At the time of receiving this notice of motion, there are no apparent legal implications to be considered.

Cr Peter Hemphill has given notice of the following motion:

That Council hold quarterly meetings of representatives of the Hobsons Bay trader associations, councillors and Council's senior leadership team to discuss high level trader issues and build relationships between all parties.

Motion

Moved Cr Peter Hemphill, seconded Cr Pamela Sutton-Legaud; informally amended by Cr Jonathon Marsden with agreement from mover and seconder:

That Council hold quarterly meetings of representatives of the Hobsons Bay trader associations, councillors and Council's senior leadership team to discuss high level trader issues and build relationships between all parties, and that this arrangement continue until the end of the current Council term.
