

ALTONA SPORTS CENTRE

FEASIBILITY STUDY

USER SURVEY RESULTS

Altona Sports Centre (ASC) is supported by an active and passionate community who submitted over 600 surveys to assist Council in learning how they use ASC.

To view full results or register your interest to be kept informed of the next steps in the feasibility project, visit the website: or contact us:

about you

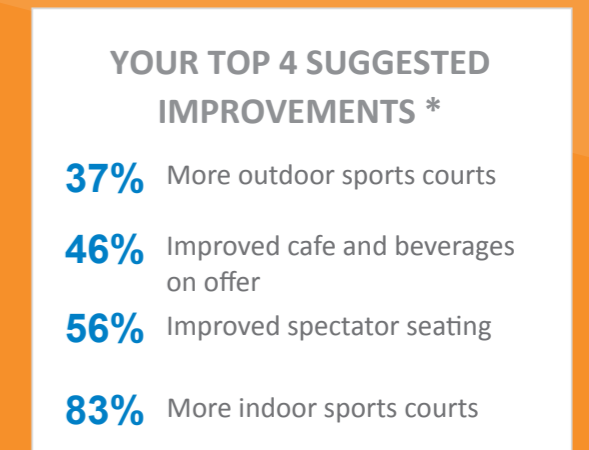

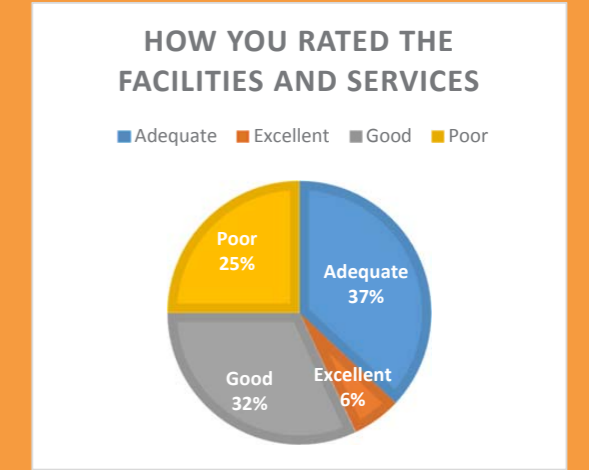

your use

being there

improvements

MORE COMMENTS

Additional court space and seating would make the centre a more viable option for sporting competitions and events

Seal the opposite gravel car park

Need more space for junior games and training

More indoor courts and improved spectator seating, will aid in the scheduling of games

Healthy food at the canteen

* TOTALS INCLUDE NUMBER OF TIMES MENTIONED
