

Experience Hobsons Bay

Often we take for granted what's in our own backyard. Hobsons Bay offers a surprising array of attractions that are sure to appeal to everyone.

From the well-known experiences on offer at Scienceworks, printmaking workshops inspired by migratory bird habitats in Altona Meadows, to kiteboarding and paddle boarding at Altona Beach, exploring Williamstown's fascinating history and even enjoying a scenic flight aboard Melbourne's only seaplane, there really is something for everyone.

With over 20 kilometres of breathtaking beaches and foreshore, wetlands, creek systems and remnant native grasslands, it's easy to see why so many people escape to the bay for leisure. Grab your

bike or go for a stroll at one of our many trails and parks, you'll forget you're just a stone's throw away from the bustling Melbourne CBD.

Our map highlights a sample of what's on offer in Hobsons Bay and will keep you busy this summer. If you have any questions or would like further information on attractions and events, contact the Hobsons Bay Visitor Information Centre located at Commonwealth Reserve in Williamstown, on 9932 4310 or email visitorinformation@hobsonsabay.vic.gov.au
